Serving the residential, agricultural and light commercial markets, our durable, energy-efficient products are easy to install, require minimal maintenance and come in styles and colors to fit any project design.

QUALITY AND EXCELLENCE, REINVENTED Soffit and Fascia

Klauer entered the aluminum soffit-manufacturing market with the intention of providing the highest-quality soffit and accessories available. The result is a final product with the most free airspace in the industry—providing maximum energy-saving ventilation—and a paint system to match. Our paint is durable and tough, environmentally friendly, 100-percent recyclable and resistant to surface stains from the elements, and it can be easily cleaned with a garden hose.

- ▶ Available in 12- and 16-in.-wide soffit panels
- ▶ 12-ft. standard panel lengths with special length options
- ▶ Produced in Solid, Center-vent and Full-vent configurations
